Widcombe in the Moor Walk 1

Distance: 3.6 miles

Difficulty: * * *

A very pleasant walk involving some climbing.

Near Bonehill Rocks you take a track on left - here Spielberg shot some of his scenes for War Horse.

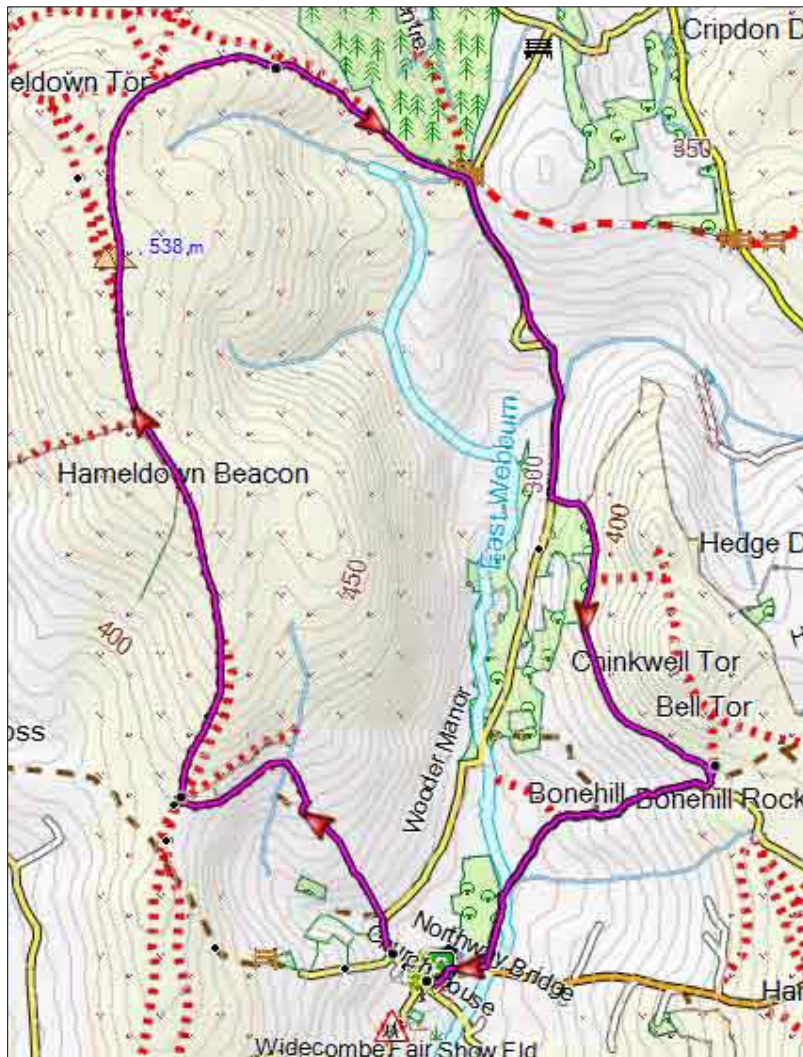

You can avoid the climb to Chinkwell Tor by continuing along a track keeping Tor on your right.

Other Tors which can be explored are Bell Tor and Honeybag Tor.

Widecombe in the Moor Walk 2: Hameldown Cross

Distance: 7 miles

Difficulty: * * * *

This somewhat strenuous walk with spectacular and extensive views follows part of the Two Moors Way.

Hameldown Cross is the highest cross on Dartmoor dating back to the middle ages.

From here, cross moorland in an easterly direction towards a well trodden track.

We recommend this walk when no rain has been forecast.
